

LEARNING HUB

FUJIFILM VisualSonics' **Learning Hub** hosts a growing number of video tutorials for users of our Vevo imaging systems.

Our tutorials are available free of charge to registered users.

STEP ONE: REGISTER FOR OUR WEBSITE

Please follow the directions below if you have **not** previously registered for a customer account on our website. **If you are registered for our customer portal, please skip ahead to Step Two.**

1. VIST THE VSI LOGIN PAGE

On the homepage of visualsonics.com, select the [Login](#) button at the top right corner of the page.

2. CREATE ACCOUNT

Select the Create Account button, fill out all the fields on the form, and select [Submit](#).

3. WAIT FOR AN EMAIL CONFIRMATION

Once you have registered, please allow up to **24-48 hours** to receive approval for your Customer account.

STEP TWO: ACCESS THE LEARNING HUB

1. LOGIN TO VISUALSONICS

On the homepage of visualsonics.com, select the [Login](#) button at the top right corner of the page, fill out your login information and select the [Login](#) button.

3. FIND THE CODE

Select the article and copy the **verification code** found at the bottom of the page and use it on the Learning Hub Self Sign-up Page.

2. ACCESS THE CUSTOMER MENU

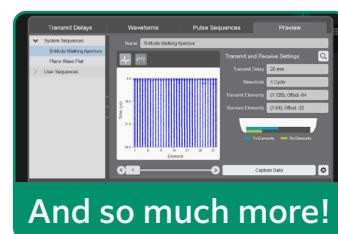

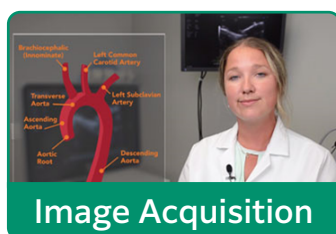

Under the [Customer Menu](#), click [Resources](#), then click [Training Videos](#).

4. SIGN UP FOR LEARNING HUB

Go to <https://visualsonics.litmos.com/self-signup>. Fill out all the fields, including the **verification code**, and select [Register](#). You will receive an email to verify.

Once you're verified, you can access our library of training videos over at <https://visualsonics.litmos.com/account/Login>.
